Please read these Terms and Conditions of Business carefully.

(\*Translation only. The only legally binding version of this document is the German one.)

### 1. Scope, contents of contract, jurisdiction

- 1.1 The following Standard Terms and Conditions (AGB) of McRent, its partners and licensees (hereinafter referred to as „the Rental Company“) apply exclusively. Terms and conditions of the Hirer, which contradict or deviate from the Standard Terms and Conditions of the Rental Company will not be recognized. The Standard Terms and Conditions of the Rental Company will apply even if the Rental Company hires the Vehicle out to the Hirer without reservation, knowing that terms and conditions of the Hirer contradict or deviate from these Standard Terms and Conditions.
- 1.2 The sole subject of the contract with the Rental Company is the hiring out of the motorhome. The Rental Company is under no obligation to provide travel services, and in particular no package of travel services.
- 1.3 The contract concluded between the hirer and the Hirer(s) as a result of the booking process shall be governed exclusively by Italian law.
- 1.4 All agreements between the Rental Company and the Hirer must be concluded in writing.

If a delay in taking possession occurs due to the non-presentation of said documents, such delay shall be at the expense of the Hirer. If such documents cannot be presented at neither the agreed time for taking possession, nor within a reasonable grace period thereafter, then the Rental Company shall be entitled to withdraw from the contract. The cancellation provisions set forth in section 4.2 shall apply. The Rental Company or the official authorities of the country may require the presentation of an international driver's license (for non-EU citizens).
- 2.2 Please note that some of the Rental Company's Vehicles have a total weight of more than 3.5 tons (Premium group) and that to drive these Vehicles an appropriate driver's license is required. 10.1 Any claims to compensation by the Hirer on the basis of defects for which the Rental Company is not responsible are hereby excluded.

10.2 Any defects in the Vehicle or its fittings/equipment, which are discovered after the commencement of the hire, must be reported to the Rental Company in writing by the Hirer when returning the Vehicle. Claims for damages based on subsequently notified defects shall be excluded unless the claim is based on a defect, which is not patent.

## 11. Repairs, substitute Vehicle

11.1 Repairs which are necessary in order to maintain the Vehicle in a good working and roadworthy condition during the rental period may be ordered by the Hirer up to € 150 without consultation. Repairs going beyond this may only be ordered with the consent of the Rental Company. The Rental Company will bear repair costs on production of the original invoices and the parts replaced, as long as the Hirer is not liable for the damage pursuant to Section 12 below. This does not apply to tire damage.

11.2 If a defect for which the Rental Company is responsible makes such a repair necessary, and if the Hirer does not rectify the defect on his own initiative, the Hirer must notify the Rental Company of the defect immediately and set a reasonable deadline for its repair. Any circumstances specific to a particular country (e.g. infrastructure) which delay the repair must be taken into account here to avoid disadvantage to the Rental Company.

11.3 If the Vehicle is destroyed without any fault on the part of the Hirer or if it appears likely that its use will be prevented or withdrawn for an unreasonably long time, the Rental Company will be entitled to supply the Hirer with an equivalent substitute Vehicle within a reasonable period. If the Rental Company supplies an equivalent substitute Vehicle, any termination by the Hirer is excluded. If in such a case the Rental Company offers a Vehicle from a lower price class and this is accepted by the Hirer, the Rental Company will reimburse to the Hirer the difference between this and the price already paid in advance by the Hirer. If no replacement vehicle can be provided, the Rental Company may cancel the contract.

11.4 If the Vehicle is destroyed due to the Hirer's fault or if it is foreseeable that its use will be prevented or made impossible for an unreasonably long period due to the Hirer's fault, the Rental Company may refuse to make a replacement Vehicle available. In such a case, termination of the contract by the Hirer is excluded. If the Rental Company provides a replacement Vehicle, it can charge the Hirer with the transfer costs incurred.

## 12. Hirer's liability, insurance

12.1 In line with the principles of the comprehensive insurance, the Rental Company exempts the Hirer from all responsibilities under civil law in exchange for a security deposit to be provided by the Hirer in the amount of € 1.700 for each event of damage or loss.

There shall not be a possibility to exclude the deposit. The deposit must be paid upon collection of the Vehicle and will be reimbursed as soon as the Vehicle has been returned unless damage has been done for which the Hirer is responsible pursuant to the regulations of section 12.3. In the case of theft the rental station reserves itself the right to calculate 10% of the value of the Vehicle up to a maximum of € 5,000.

12.2 The indemnity against liability described in Subsection 12.1 will not apply if the Hirer causes a loss/damage deliberately or by gross negligence.

12.3 If the Hirer causes loss/damage culpably, he will additionally be liable in the following cases:

- if loss/damage was caused by impaired ability to drive due to drugs or alcohol
- if the Hirer or a driver to whom the Hirer has supplied the Vehicle leaves the site of an accident without justification
- if the Hirer fails to call the police to an accident, contrary to the obligation imposed by Section 8, unless this breach of obligation does not affect either the establishment of the cause of the loss/damage or of its amount
- if the Hirer breaches any other obligations imposed by Section 8, unless this breach of obligation does not affect either the establishment of the cause of the loss/damage or of its amount
- if loss/damage is due to usage prohibited by Subsection 7.1
- if loss/damage is due to a breach of an obligation imposed by Subsection 7.2
- if loss/damage is caused by an unauthorized driver to whom the Hirer has supplied the Vehicle
- if loss/damage is due to a failure to take account of the Vehicle's dimensions (height, width)
- if loss/damage is due to a failure to comply with load regulations
- if damage is caused by the use of the wrong fuel (incorrect refuelling), if water, AdBlue or oil is not refilled and warning indicators in the vehicle have been disregarded; the insurance does not cover the damages. This also counts for interior damages and incorrect operation of for instance awning, water, AdBlue and fuel tank.

12.4 To avoid increasing costs due to expenses incurred to establish the amount of the damage suffered, the Rental Company will in the event of accident damage initially supply the Hirer on request with sample invoices for the type of case concerned.

12.5 Personal property of the Hirer, which is damaged - or lost - as a result of an accident or theft is not insured.

12.6 The Hirer is liable for all fees, charges, fines and penalties imposed upon the Rental Company in connection with the use of the Vehicle, unless these are incurred due to the fault of the Rental Company.

12.7 More than one Hirer will be generally and severally liable.

## 13. Rental Company's liability, expiry by limitation

13.1 The Rental Company bears unlimited liability for deliberate action and gross negligence. In the case of simple negligence, the Rental Company is only liable for foreseeable loss/damage typical of the type of contract concerned where there is a breach of an obligation the meeting of which is of particular importance for the achievement of the purpose of the contract (cardinal obligation). This standard of liability also applies in cases of obstacles to performance at the time of the conclusion of the contract.

13.2 The above limitations and exclusions of liability do not apply to claims under the terms of the German Product Liability Act or to claims based on injury to life, limb or health or infringements of liberty.

13.3 Claims which are not excluded according to paragraph 13.1 but were only limited in scope shall become statute-barred within a year of the end of the year of the claim being created and the circumstances justifying the claim and the debtor's identity being disclosed to the creditor or the creditor, without gross negligence, being considered to be aware of such circumstances or identity. With the exception of claims for damages which are based on loss of life, physical injury, health hazards or the loss of freedom and claims based on the product liability act, claims for damages shall become statute-barred - with no consideration being given as to whether the creditor was aware of the circumstances and identity or, without gross negligence, should have been aware of such circumstances and identity - within five years of the end of the year in which the claim was created.

13.4 The Rental Company's booking conditions apply. These are provided at the rental depot during pick-up and are published on our website.

## 14. GPS Tracking System

The Rental Company's Vehicles can be equipped with GPS Tracking Systems.

## 15. Legal venue

For all disputes associated with validity, interpretation, implementation and termination of the rental agreement, the place of jurisdiction of the respective hiring station or the registered office of the Rental Company shall be exclusively competent.

The above regulations shall be applicable from February 22<sup>nd</sup> 2024 onwards.
